Selmi, Council Go Round And Round On Fund Transfer

The city council and City Treasurer Paul Selmi locked verbal horns Tuesday night for two hours over a fund transfer and the operation of Selmi's office before some 200 citizens packing the council chambers.

The big issue was the council's transfer of $10,000 from the water replacement and extension fund to the water works operating fund, which Selmi charged was a transaction that did not comply with the law. The treasurer had on hand to back him up H. Ward Dawson Jr., attorney who is representing the group seeking to recall three councilmen, which is led by Selmi.

Explain To Selmi

Outcome of the marathon session was that the council agreed to explain to Selmi in writing their reasons and justification for the transfer.

At the conclusion Selmi said that he had been right in refusing to honor the transfer, and the council still insisted it was a legal transfer. The session was marked by applause when Selmi brought home his points against the council.

A side issued developed when Selmi asked that the city pay for legal counsel to represent him, since the City Attorney, Frank Blum, was at the disposal of the council. The councilmen said they would investigate and see if it was legal for the city to pay for services of an attorney for another city official.

Selmi pointed out that, "I have documentary evidence showing the council in error in transactions involving the 1953 water bond fund.

Child Neglect Case Studied By Authorities

An arrest of two juveniles for stealing bikes unearthed a weird story from an 11-year-old girl this week and started investigation of a possible child neglect case.

Tuesday afternoon Broadmoor police picked up the girl and her 12-year-old boy companion after they had stolen bicycles from the rack at Garden Village school.

The youngsters, both from Daly City, told police they had played hookey from school that day.

The boy was released to custody of his parents, but police turned the girl over to the county juvennile probation department after learning that she had been away from home since Friday morning.

Her five-day absence had not been reported to local police, authorities said.

The girl related to officers that she had been sleeping in a vacant house on Mission street.

Police said the girl was "very dirty and unkempt."

According to county authorities, the girl had told a bizarre story

AUDITOR CLEARS HAZE ON $10.000 TRANSFER DEBATE

The $10,000 fund transfer which city Treasurer Paul Selmi refused to honor was explained today by City Auditor Robert Hunter. The confusing issue, which had city officials debating for more than two hours Tuesday night, was merely a transfer of money to a higher fund within the water department, according to Hunter.

He pointed out that money for improvements in the department originally came from the water bond construction fund, under the revenue bond approved by voters in 1952. At that time four funds were set up in this order—sinking, operating, reserve, and replacement and extension—within the water department.

Hunter explained that in order to make payment of principal and interest on the bonds you must

DC Motorcycle Cop Escapes Injury In Traffic Accident

A Daly City motorcycle officer escaped injury Saturday morning when an auto stopped short in front of him, causing him to plough into the rear of the vehicle.

Officer Edward Wilbur Beecher reported that he was chasing a car which failed to stop for an arterial when the driver of the auto suddenly slammed on his brakes at Mission and Hillcrest.

Beecher, 43, 60 Parkview avenue, cited the driver, Harold M. Sanders, 46, of Alameda. for failure to heed an arterial and for failing to make an arm signal before stopping.

Top Of The Hill To Hold Dollar Days Promotion In March

Plans for a "Dollar Days" sales celebration on March 1, 2 and 8 were announced this week by "Top of the Hill" merchants on Mission street.

The event will be promoted through newspaper advertising, signs and displays.

Advertising will be included in three local newspapers, reaching a total circulation of 24,300 persons.

Merchants offering Thrifty Shopper Stamps also plan to give double stamps during the sale days.

Emphasis of the sale will be on "fantastically low prices," according to the merchants. Items will be offered for $1 that normally sell for two and three times that much.

More details on the gigantic spring "Dollar Days" will be announced in next week's paper.

Being a Daly City police officer really is hazardous:

Officer ED BEECHER was in an accident Saturday. A week earlier Officer JIM SUNDERLAND was treated for hurts suffered in a crack-up while riding his 'bike. Officer ROBERT CROOKER is gimping around with a broken leg, after falling down the steps at his home.

Not only that, the auxiliary police business has its pitfalls. WAYNE CARR, member of the library commission and reserve policeman, was competing in a relay race with dads at a Girl Scout dinner last weekend, when his leg suddenly gave out.

He's on a cane now and doctors diagnose the injury as torn ligaments.

Just before the race Wayne had kidded the other fathers that he was up to the athletic endeavor, since he was the youngest dad present.

CHECK COUNTERFEITING equipment valued at $5000 is inspected by Daly City police after arrest at a local motel Tuesday of 24-year-old ex-convict, believed to be the ringleader of a "big-time" operation. Capture of Rubert E. Smith, Jr., 180 South Van Ness avenue, San Francisco, was temporarily interupted when the handcuffed counterfeiter dove head-first through a closed window. The escape was shortlived, however, as a single bullet by Officer Phillip La Bruzzo struck Smith in the thigh. Shown here looking over a check protector are (left to right) Lieutenant Roy Beecher, Officer John Walsh and Inspector Bruno Conci, who were staked out in the adjacent motel unit for over a week. Note the large wooden crate in which Smith kept a small printing press.

COP SHOOTS COUNTERFEITER IN ESCAPE ATTEMPT AT DC MOTEL

Ringleader of a "big-time" counterfeiting gang, estimated to have passed over $30,000 in phony cashiers checks during the past year, was captured here Tuesday by Daly City and San Francisco police. Following arrest at a local motel, the handcuffed ex-convict dove head first through a closed window in an attempt to escape, but was shot down with a single bullet by Officer Phillip La Bruzzo.

Under close guard at San Francisco county hospital is Rubert E. Smith, Jr., 24, 180 South Van Ness avenue, San Francisco. Smith's two alleged accomplices, Billy Kitchens, 29, and Joseph Abrams, 29, were arrested in a San Francisco apartment shortly after Smith's capture.

Fictitious check charges were levied against the trio in San Francisco, while Daly City police brought an additional count of felony escape against Smith on Wednesday.

Smith, married and the father of two children, had been under close surveillance by police since he moved into the Mission Bell motel, 6843 Mission street, on February 2. Lieutenant Roy Beecher, Inspector Bruno Conci and Officer John Walsh of the Daly City department with San Francisco police, all garbed in sports clothes to hide their identity, moved into the motel unit adjacent to the one rented by the suspected forger.

Every Move Noted

Every move by Smith was noted by officers, who today revealed his actions during the stake-out. Police said that after carting forging paraphenallia, estimated to cost about $5000, into the motel, Smith rarely stayed more than a few hours at a time.

The counterfeiter, who was convicted on a similar charge in 1954, had three visitors, one of whom was a woman, during his stay.

Unknown to Smith, he was tailed to two nearby banks where he established accounts under the fictitious name of E. J. Murphy, 3490 Mission street. This name also was used by Smith in signing the motel guest list and on his car registration.

Reports "Suspicious" Cops

Humorous incident during the stake-out occurred Friday when a woman staying at the motel noted "suspicious" actions of the officers and called the Daly City police department.

The long watch over Smith's quarters continued because police were hoping that the counterfeiter would set his press into motion, thereby enabling them to catch him in the act of forging the checks.

On Tuesday noon while La Bruzzo was substituting for Conci, Beecher and Walsh who were investigating other facets of the case, Smith returned to the motel and began moving crates into his car.

Fights Arrest

Afraid that Smith would check out, La Bruzzo and San Francisco Inspector Ed Vander Vort entered the counterfeiter's cabin and made the arrest. Smith, a wiry, small man, fought off the two officers for a full five minutes before he was subdued. Vander Vort left La Bruzzo to guard the handcuffed prisoner while he called

Westlake Branch Library To Open In About 60 Days

A temporary branch library will open in Westlake in about 60 days, it was revealed Monday night at the initial meeting of "Friends of the Library" group, held at the Robert Woods home, 181 Wilshire avenue.

City Manager Howard Stites told the 28 persons assembled that the branch, which will be located at 34 Park Plaza drive, has been rented from Henry Doelger for $125 a month, and will be taken over by the city March 1.

It will be available to Broadmoor residents, as well as persons from Daly City.

The library will be stocked with 2000 children's books which were purchased with funds from the Westlake PTA carnival last year. In addition, the city and county will supply adult volumes.

The library will be staffed by regular personnel from the Daly City library.

Monday's meeting was devoted to explaining purposes of the "Friends of the Library" organization. In a resolution adopted, the group gave as its aims, "to foster closer relations between the Daly City library and citizens of Daly

END OF AN ERA — City Clerk B. C. Ross, 72, will close out a career of 40 years service to the City of Daly City when he leaves his job after the April 10 election. Tuesday Ross announced his retirement from the clerk's position, which he has held since 1923. Prior to that Ross was a Daly City councilman for eight years, from 1912 to 1920, serving on the first council, and was mayor during part of that time. Following Daly City's incorporation in 1911, Ross was instrumental in developing Daly City's water system and public streets.

Filing For Election Closes With Seven In Council Race

As filing closed yesterday at 12 noon there were seven candidates in the race for two city council positions, two persons vying for city treasurer and a lone entry for city clerk.

City Clerk B. C. Ross, who has held the position since 1923, has announced his retirement. Evelyn Mosman, 232 Hillcrest drive, a deputy clerk in Ross's office, was the only candidate to file for the clerkship and is assured the job.

Competing for two council posts at the April 10 election will be Incumbents Joseph Verducci and Edward J. Dennis, Peter J. Becker Jr., an electrician, Sam Grado, plumber, Paul Hupf, attorney, Harry Ross, auctioneer, and Joseph Lewkowitz Sr., service station proprietor.

Housewife Jane Keith will contest with Incumbent Paul Selmi for the city treasurer job, which was made full-time at a salary of $450 a month by the council Tuesday night. The pay was formerly $75 a month Mrs. Keith, a library commissioner, has worked part-time in the library and writes a column for the Daly City Shopping News.

Wayne Carr, local library commissioner, took out nomination papers but did not return them. Carr said later that he had "thought about running for city clerk, but decided against it."

Before candidacy becomes official, the city clerk will have to certify signatures of at least five registered Daly City voters on each of the nomination papers. This, however, is merely a formality.

'SHERIFF NOT NEEDED' BROADMOOR COPS SAY

Assistance from the San Mateo county sheriff in three recent Broadmoor investigations was not requested because it was not felt help was needed, Head Commissioner Harry Brown said today in answer to charges by Sheriff Earl Whitmore.

Statements by Whitmore that his office was not informed of raids in the Broadmoor district came to light after the out-going 1955 grand jury recommended "better cooperation" between the two agencies.

The sheriff told THE RECORD today that he had always been called in on felony cases in Broadmoor up until June 5 when district attorney and Broadmoor officers raided a Chinese gambling operation at 7796 Mission street, Colma.

Two Other Cases

Two other cases cited by Whitmore in which his office was not asked to participate included the November 15 raid on an alleged abortion mill at 590 Washington street, Broadmoor, and the June 5 arrest of Adolph Cecchi at 50 Reiner street, Colma, which police charge was used for bookmaking operations.

"People in the county expect the sheriff to step in on these cases," Whitmore said today, "but if the district attorney gives assistance, it's all right with me as long as I'm not held responsible."

The sheriff further explained that he "plans to keep (his) eyes open in the Broadmoor district from now on."

Who Responsible?

When asked whom he felt was responsible for not informing him of the recent raids, Whitmore replied he didn't know whether it was District Attorney Keith Sorenson, Broadmoor Police Chief Ray Savage or Brown.

Commissioner Brown emphasized, however, that the police district has requested aid from the district attorney, primarily because of the new search and seizure law.

Brown continued that the sheriff was not asked to help in the three aforementioned cases because the police department had been expanded from three to five men.

"It would have just been duplicating manpower," Brown claimed.

He further added that written

Name John Mongan As Assistant To Superintendent

John Mongan, principal of Jefferson Union High school, was appointed assistant school district superintendent until the end of the present term at the regular meeting of trustees Monday night. Mongan's new temporary title enables him to perform superintendent's duties in the absence of Stanford Hannah, who has been advised to take it easy by his doctor.

The board also agreed to grant the principal a $10,000 yearly salary, to be pro-rated on the basis of time served. Appointment was made retroactive to January 1.

In other business Monday night the board:

1. Appointed Westmoor Principal Glenn South as summer school principal.

2. Agreed to pay school bus drivers a $2.50 overtime hourly wage until July 1 when the non-certificated salary schedule will be decided.

3. Accepted resignation of Miss Margaret Schlotz, home economics teacher, and hired Mrs. Marie Moore as a replacement at a $5000 yearly salary.

4. Tabled Trustee Elio Fontana's suggestion that the board hire an outside source to make a survey of the district until investigation into the county continuing survey is made by administrators.

Westmoor Costs Told By Ciampi

Claim that Westmoor High school will be "one of the cheapest schools in the county" was made Monday night by Architect Mario Ciampi in a letter to the Jefferson Union High school board of trustees. The architect's letter contradicted recent statements by north coastsiders that "Westmoor's cost per student will place it in the highest bracket in comparison with other high schools in the county."

Ciampi stated that cost of the present construction per pupil will be $1,406, while eventual cost of completing the entire plant will be $1,568 per student.

Comparative prices on other county schools given by the architect are the following: Capuchino, $2,177; Carlmont, $2,175; Hillsdale, $2,158; Serra, $2,119, and South San Francisco, $1,584.

Exclude Site Cost

According to Ciampi, all figures presented exclude cost of site development because of the high degree of difference in each particular case.

Average per square foot cost of the completed building will be $14.29, less than the state aid requirement of $14.50, the letter states. Coastsiders charged that this figure will reach as high as $20 to $24 per square foot.

Included in the architect's letter to the board was a cost study made by his office.

The study explains the net cost

INTRODUCE LAW FOR FULL-TIME TREASURER JOB

Ordinance which will establish the city treasurer position as a full-time job was introduced by the city council Tuesday night.

Salary was tentatively set at $400 a month.

Present pay for the part-time position is $75 a month.

Current Treasurer Paul Selmi, leader of a recall movement against three councilmen, was on hand at Tuesday's meeting for questioning on his opinion of a full-time treasurer position. He said he hadn't given it much thought, but felt the job did not require services of a full-time person.

The council maintained that since Selmi already hired a full-time secretary, creation of the new duties for treasurer would be an economy move, since it would eliminate one salary.

The council rushed through the ordinance Tuesday night so that persons interested in the job under its new salary would have time to file before yesterday's (Thursday) deadline.

The council questioned Selmi at length on the scope of his secretary's duties, how much time she spent on the treasurer's work and why she was not civil service.

City Council Tables Bid Acceptance On Four New Vehicles

Acceptance of bids on four new city vehicles was tabled by the city council Tuesday night. Neville Motors Ford company offered lowest proposals on the three cars and one pickup truck.

Low bid on two 1956 four-door eight cylinder sedans to be used as police patrol cars was $2846.04 by Neville Motors. Trade-in value for city-owned autos was set at $330. Only other proposal was from Gateway Chevrolet company at $2969.

Neville Motors low bid on a 1956 four-door six cylinder car for general use by the public works department was $1475.61. Only other offer by Gateway Chevrolet was $1520.46.

Lowest proposal on a three-fourth ton pickup truck was $1574.37 by Neville Motors. Other bids were Gateway Chevrolet at $1644.71 and Peerless General Motors corporation at $1786.51.

the first increment to be $2,163,-(82, this figure excluding cost of site work and special equipment from the total Theo. G. Meyer & Sons bid of $2,508,676.

Square Foot Cost

Cost per square foot on the first increment is said by Ciampi to be $14.72, cost on alternate 1 (11 additional classrooms) to be $11.07, on alternate 2 (wood shop) to be $7.55, and estimated on the second increment, $12 per square foot.

The average square foot figure arrived at is $14.29.

According to Ciampi, the above figures do not include cost of providing the following facilities: perimeter streets and bus turn around, furniture and equipment, seeding of play areas, bus shelter, incinerator football bowl, track and field house, water tank, increase parking area, testing, inspection, architect's and division of architecture fees, swimming pool, auditorium and contingencies.

HUGH A. WAYNE, advertising executive, and candidate for Assemblyman for the 25th district, announced today that the citizen's committee supporting his candidacy has signed more than 300 local business, civic and political leaders pledged to work for his election at the June 5th primary. Wayne, 41, is associated with George A. McQueen in a Burlingame advertising agency and is a four-term veteran member of the County Republican Central Committee. He said that he will seek the endorsement of the 62 man GOP candidate screening committee scheduled to meet on March 3rd to select the party standard bearer for the primary.

However, the major asset the Broadmoor police district has in combatting their critics is a valuable one: The Broadmoor people like 'em just the way they are.

Should be interesting to see who prevails.

Meanwhile, Sorenson declined today to say whether his or the sheriff's department should be called in on a case and declared that he will continue to act as he has in the past.

When asked his opinion on Whitmore's statement that the sheriff would "keep his eyes open" in the Broadmoor district, Sorenson offered a "no comment."

Dives Through Window

Smith ran to the 12-foot-high rear window and plunged headfirst through the pane of glass. La Bruzzo rushed to the back porch, saw Smith was 50 feet away and shouted for him to halt.

When the counterfeiter failed to obey, La Bruzzo fired, hitting Smith in the thigh with his first shot. It was later found that the bullet had shattered Smith's leg bone, causing a severe break.

The prisoner was rushed to Junipero Serra hospital, while officers investigated contents of his room. Discovered in carefully packed crates and boxes were a press, check protector, type and elaborate photography and engraving equipment. Also found was a carton of expensive jewelry, now being traced by police.

Entire operation of the stakeout was done with the full cooperation of Hugh E. Smith, Jr., manager of the Mission Bell Motel, Lieutenant Beecher said. Manager Smith's part in the capture of Counterfeiter Smith was highly commended by both police departments.

FIT FOR PUBLIC CONSUMPTION

The public's right to know should never be abridged—and school districts are no exception.

No body of public officials should set themselves up as a board of censorship on governmental matters—regardless of how pure the officials' motives may be.

This is exactly what the Jefferson Elementary School district board of trustees has done in the past few months.

Their evasive, clandestine air about matters which are, according to the statutes of the State of California, public record, should not be countenanced any longer.

We cite first an instance when the board convened on October 10, 1955, for a special meeting. No notice was given the press. Therefore the public was not informed of the meeting. The Brown act, covering meetings of governmental bodies, states that whenever a special meeting is held, the press must be given at least 24 hours advance written notice. When queried about this meeting, the answer from the board was that they had "overlooked" notifying the newspapers.

Now it has been learned that a second "caucus" meeting was held on November 29. There was absolutely no notice given of this session. Once might be a pardonable mistake, but two times would make it appear the omission was intentional.

At a regular meeting February 8, the board of trustees voted unanimously on a motion that was not revealed on the floor. Asked how they could possibly vote on a matter which was on the agenda without revealing its content, the board chairman explained that it was a "personnel matter."—The Brown act says personnel matters may be discussed in caucus session.

However, it was learned that the motion on which trustees voted concerned making an appropriation of funds to carry out a survey on personnel problems within the district. That they could twist the intent of the personnel clause of the Brown act to fit their need in this case is indeed deplorable.

But more important, they took it upon themselves to pass a secret appropriation when expenditures of finances, of all things, should be publicly aired.

And the legislative interpretation of the Brown act has never been so broad as to allow the holding of secret discussion on a matter of an outright expenditure of public funds.

However sincere the trustees might be in their actions, they are contributing to a highly dangerous and possibly explosive situation by attempting to tell the public what's good for it through an indirect type of censorship.

We will not tolerate further secrecy in the district and will resort to legal means if necessary to enforce the public's right to know.

This is not a threat, but a demand that the trustees of the district perform their duties in informing the people under provisions of the law of the State of California and not under their own improvised standards of what is proper for public consumption.

NATIONAL GUARD DESERVES SUPPORT

On February 22 the National Guard of this city and state is to hold an intensive one-day recruiting campaign. Its purpose is increasing the strength of the National Guard to help take up the slack caused by reduction of our military forces. This makes sense on several counts. For one thing, it's good economics. A large and strong National Guard, composed of volunteer citizen-soldiers, is about the most in the way of defense we can get for our money. Guardsmen give their country much more in protection than they ever receive in dollars.

For another thing, the spirit of volunteer service which is the foundation of the National Guard, is in the very best tradition of our American way of life. Very probably our historic preference for doing a job voluntarily before it is forced upon us, without choice, accounts for much of our strength as a nation.

The peacetime service of the National Guard is also impressive. We know of its work in time of emergency and disaster in this state. The guard served valiantly, too, at the San Francisco earthquake, the Galveston and Johnstown floods, at Texas City, in hurricanes on the East coast, blizzards in the plains states, and recently in the Daly City erosion emergency. The list is long.

Now, at the request of congress, and to meet a need for the particular kind of service which only the National Guard can offer, the guard must increase its strength. Appropriately, the day chosen for its big recruitment drive falls on the birthday anniversary of the founder of our nation. Thus is symbolized, if a symbol is needed, the essential character of the National Guard in the affairs of our country. Its coming campaign deserves our support.

The group has made contributions to the March of Dimes and other fund drives, as well as to the recent Flood Disaster Relief fund. The women also help members of their organization who are in need.

Two Daly City homes were burglarized Tuesday by a bandit who availed himself of liquid refreshment while looting the residences. The burglar escaped with $120 worth of loot from the home of Fred Alviso, 193 Frist avenue, and took articles valued at $70 from 418 Chester street, residence of Milton Boeger.

Loot taken from the Alviso house included $60 cash, $50 string of pearls and $10 from a child's piggy bank. Police said the thief apparently gulped down a full pitcher of orange juice taken from the refrigerator.

SSF Painter Arrested On Drunk Driving Count

Donald Cameron Ray, 36, 155 Francisco drive, South San Francisco, a painter, was arrested by Daly City police on a charge of drunk driving Wednesday after a car which Ray was driving sideswiped two other cars parked on Mission street.

Ray was driving north on Mission street when a dog, which was in the car with him, attempted to jump out of the car window. Ray became excited and lost control of the car. The car sideswiped parked autos belonging to Hayden Neal, a neighbor of Ray at 143 Francisco drive, South San Francisco, and Frank Puccini, owner of Puccini's restaurant, 7535 El Camino.

Ray was given a sobriety test, which came out positive. He was released on bail and scheduled to appear in court March 1. The dog was taken to the pound.

Local Tyke, Adlai Pose For Pictures

James McKay, 1199 Nimitz drive, Broadmoor, who, although he has not officially announced his candidacy, has indicated that he will run for U. S. Congressman against incumbent Arthur Younger in November if he receives the endorsement of the Democratic county central committee, was beaten to the limelight recently by his 28-month old son, Jimmy.

Young Jimmy had his picture taken with Adlai Stevenson, who is seeking the 1956 Democratic presidential nomination, when Stevenson spoke to local Democrats recently in Oakland. One of the pictures made the Feb. 13 issue of Newsweek.

McKay, director in the Broadmoor property owners association, has been active in northern San Mateo county democratic politics, and if he receives the approval of the county Democratic convention at its meeting February 25 he is expected to oppose Younger for the ninth district seat in the House of Representatives.

Daly City Police Cancel Teenage Beer Bust Party

Routine investigation of a speeder on Mission street Sunday night resulted in the cancellation of a Thornton Beach "beer bust" planned by a group of Daly City and Broadmoor teenagers.

Police said that two cases of beer were found in the auto of a 15-year-old Jefferson Union High school student, stopped for speeding. The youth, taken to the police station, admitted that he was heading toward the beer party and that the beer had been purchased by a 17-year-old friend.

The older youth who bought the beer was referred to county juvenile authorities, while parents of the other party goers were notified.

Recall Gains Nearly Half Needed Names, Paul Selmi States

The recall forces have obtained 500 of the 1100 signatures necessary to put the issue on the ballot, according to City Treasurer Paul Selmi, leader of the group.

The Better Government for Daly City Group seeks to recall Councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi.

According to Selmi, the recall committee counted "over 500" signatures at a special meeting Friday night. Approximately 1100 signatures, or 12 per cent of the registered voters, are necessary to force the recall ballotting.

Selmi said the group had also received $177 in funds, in response to his circular asking $1 from each person willing to combat the present council.

Selmi said his group hopes to file the signatures with the city clerk by March 5, "just to be safe." This would give the group time to have the recall issue placed on the April 10 municipal election. Should they wait until mid-March to file the signatures, a special election would have to be called, since 30 days must elapse between filing of signatures and the election. This would be paid for by the city.

According to the treasurer, his group has 30 persons working actively for the recall. "We're going to cover the whole city," he related.

Selmi reiterated the fact that, "We're absolutely not discussing any candidates as replacements at this time. We figure after we've got the signatures, then those who want to run for council can present themselves."

Should a recall election be held, the voters will decide whether any councilmen removed would be replaced by appointment or special election.

Selmi said his group will campaign for a special election, rather than appointment of any new councilmen.

Next Thursday night, February 23, will be Bill Carrington night at the meeting of the Colma Vista Grande Aerie 1848, FOE.

Carrington is past worthy president and secretary.

"Bill is a mighty hard worker in the Aerie, a swell guy and also a wonderful friend to all who know him," President Joseph Rayla stated.

"Let's round up all the candidates we can for that night and convince Bill we too are working hard for the Aerie," Rayla said.

RODENT PROBLEM APPEARS CLEARED

The rat problem at the dumps at the west end of Marchbanks park was termed pretty well cleaned up yesterday by Ralph Theep, northern county sanitarian. The hill was scraped down and the dumps filled in yesterday, and no rats were found in a survey made yesterday morning. However, Theep said that bait boxes will be left out a few more days as an added precaution.

The rats were first noticed several weeks ago in the Marchbanks park area. They were supposedly attracted there by wet garbage dumped at the south end of the park. The rodents are extremely prolific and it was estimated by the poundmaster that "hundreds" were in the area.

Natl. Guard Units Plan Open House On Wash. Holiday

Local national guard units will hold open house next Wednesday, Washington's Birthday. Details on the event were released today by Captain John R. Creighton, Jr., commanding officer of Company L, 159th Infantry, and Captain Tilman D. Lethco, commanding officer of Battery B, 271st AAA BN.

National Guard open houses will kick off a full-scale membership drive.

Company L armory, 1001 Market street, will be open to the public from 11 a.m. to 4 p.m. Included in the day's events will be firing of the 60 mm Mortar and 57 mm recoiless rifle and a display of the infantry rifle company's weapons and equipment.

Open house at the Battery B unit on Skyline boulevard will feature drills by the men and demonstration of equipment. The event will be held from 10 a.m. to 10 p.m.

Both commanding officers urge young men from 17 to 35 years of age to enlist in the national guard. Advantages listed include receiving miliary training while serving with friends at home, earning extra money, building a retirement pension and learning new skills useful in civilian life.

Interested men may contact either unit during the week for information.

Crockerites Report

Fourth Grade - Mrs. Edgerley

We are working very hard on our science project about teeth. We have put up a bulletin board showing the different teeth and their roots, the proper diet, and habits that help us have strong healthy teeth.

We have molded teeth out of clay and plan to glaze them soon.

Our class has read about what causes tooth decay and how we can prevent it, also we have learned how the dentist straightens crooked teeth, and why it is important to have straight teeth. We know all the different parts of a tooth and their function.

Today Crocker School is going to have a program in honor of Brotherhood Week. All our cub scouts and brownies will participate. We will salute the flags and sing "America" and "The Star-Spangled Banner."

The fourth grade hopes that you have seen one of our monthly newspapers. The class works hard to write interesting news articles and stories to interest our many readers. We send our newspaper out to all the classes.

Soon we will start a new project—shaping a map of California out of wheat paste. We are studying the history and development of our great state.

Sixth Grade - Mrs. Goldberg

For the past few weeks our class has been studying weather conditions. We are beginning to study electricity and aviation. All of us are making science notebooks on one of these subjcts. We hope to learn many scientific facts from working on our own book and reading other student's findings on these subjects.

In arithmetic we are learning many new fundamentals. We have learned how to add, subtract, multiply and divide by decimals. We have learned how to add, subtract and multiply fractions. By the end of the term we should be able to master any type of sixth grade arithmetic problem.

VOTERS BEWARE!!
Don't allow your city to be ruled by a malicious little clique of malcontents.
Don't Sign The Recall Papers
Without first reading the charges, then the councilmen's answers. When you place your signature on this petition, you are allowing your name to be used in a very serious matter.
● Recall is a weapon used only in cases where the officials are found in dereliction of duty, graft, or gross misconduct in office.
● The three councilmen under attack by the little clique are completely innocent of these and any charges levied by the recall group.
It is your prerogative to sign a recall petition, but it is also your duty as a citizen to hold your franchise as an elector under close guard
If this disgruntled minority can hold sway over an entire city by gaining signatures of voters who give away their rights indiscriminately, imagine the power a group such as this could wield.
If every time a minority is rebuked we have a recall movement, there will be no more candidates for council. Men of repute will not subject themselves to the unjustified abuses of a power-thirsty few.
The right of recall belongs to YOU Don't Abuse It -- Study The Facts
Ask the recall clique for specifics. Pin them down to definite grievances. They have none.*
Decide For Yourself
But don't allow use of your name on a 'BLANK CHECK' FOR POWER.
Know Your Government
Attend Council Meetings
* Among the three charges the recall forces have levied is that the council went against the will of the people in dismissing a police officer. Judge Edmund Scott of the Superior Court of the State of California upheld the council's decision to dismiss the officer. Do these forces infer that the Superior Court is wrong? You will not restore the dismissed officer to his job by signing the recall petition. This is the misrepresentation being used in presenting the petition.
* The two other charges, questionable bidding procedures and illegal fiscal procedures, are so assinine they hardly warrant answer. All governmental practices are carried out under statutes of the State of California government code for sixth class cities.
Had the council engaged in "illegal" practices, a taxpayers suit or specific charges would have been brought long ago by conscientious citizens. The recall group has no issues—only political aspirations and a thirst for power to run your government.

Village Notes

PL 5-0679

Nine seems to be a popular age, Michael MacCarthy put in a claim to it, too, with a family party and a special Sunday dinner. Not to be outdone, father Al, whose birthday was a few days later, had a surprise party given for him by wife Iris. Lucille and George Whitney and several friends from San Francisco all gathered at Jim and Eleanor Murphy's house, whither the unsuspecting Al went, supposing he was going for an evening of cards! A good trick, if it works!

Bea and Ray Meade on Maddux had visitors, too, when Ray's uncle, Leonard Meade, and his wife, came out from Aurora, Illinois, to visit. Their daughter, Frances, an airline stewardess, is now based in SF, and the Meades came out to see all the family out this way. Ray had not seen his uncle for some twenty years or so, so there was quite a lot of family news to exchange and catch up on during evening visits. Since the Leonard Meades had not been out this way for many years, they spent their days sightseeing at a great rate. Thank goodness the rain let up!

A reproduction of the famous Stuart portrait of George Washington is no longer the prized possession in Bunny Gillespie's family. Bunny won the picture at the age of five in a coloring contest in one of the SF newspapers, and she recently, joined by her mother, gave it for presentation to an orphanage. Husband Ken went along with the picture—but only long enough to tell its history. He is back home on Gilman drive again!

Yo-ho-ho, and a bottle of milk! Joey Fernekes, dressed as Peter Pan, invited a sizeable group of classmates to his sixth birthday party, which was a pirate affair, complete with treasure chest favors and a pirate ship game. Sharing un-piratical cake and ice cream were John Justin, Mike Bullen, Mike Sattel, Robby Harvey, Timmy Pappas, Douglas Clarkson, Marty Coonan, Eugene Del Porto, Michael Flint, Richard Bernard, cousin Tommy O'Brien and brother Robby Fernekes. Village Lane became Never-Never Land for one afternoon!

Another birthday was celebrated when Madeline and Gordon Feist gave a dinner for Charles Aubuchon, young Gordon's godfather. Charles' wife, Ruth, and Al and Margaret Cozakas were the other guests who enjoyed the evening with the Feists on Sweetwood drive.

And last but not least, a very special birthday wish to the Man in Our House—Don Mitchell.

Well, everybody turned out en masse for Broadmoor's Scout parade last Sunday, and quite a parade it was. There is something about good band music that does things to people, and the tiredest fathers and mothers found that marching with the groups of children was something pretty special. Chairman Warren Vocke can feel proud—his project worked out well. Wonder how many others feel, as we do, that it might be a good thing every year? Bouquets too to all the outside groups who came to help, and to the BPD for a most effective clearing of the streets.

Good weather and the parade have been nice welcoming occasions to some of our newer families. We'd like to have you meet the Martins, who came here from St. Paul by way of a temporary stop in Sausalito. Richard and Barbara, with their children, Mike and Theresa, are Stoneyford residents now. And while you're here, meet the Tatge family. Dr. Walter Tatge is on the staff at St. Luke's hospital in SF, and he and Dixie came here from Milwaukee. Thornhill is now richer by three boys—David, Paul and John Tatge.

The teenagers have been busy lately. Some 78 of them went on a ski trip to Dodge Ridge, and reports have it that the weather and snow were perfect for good skiing. On the social side, Larry Hill gave an open house at his home on Sweetwood—a sort of between-semesters occasion — and a houseful of guests danced, ate a buffet supper, and generally enjoyed themselves.

"Double Date"

February 14 was a double date for Manila Way's Phil Green—Valentine's Day and his 16th birthday. It was his day of days, because it meant he could apply for a license to drive his own car, which had been patiently waiting for him to take possession. That maroon 1949 Mercury convertible you may be seeing around will mean Phil is duly licensed, and one of the proudest boys you'll ever see.

Speaking of cars, have you seen our so-wonderful school secretary, Marie Colombini, swishing around in her nice new one?

Down on Village Lane, young Philip McVicar turned 5, and invited Lori and Donna Chelone, Bonnie Sisk and Marie Gahn to a Mickey Mouse party. And just to make sure he was really 5, he had a family dinner the following day, with his grandparents as guests.

Loretta Andro came into her own, too, when she was christened recently at the Holy Trinity Greek Orthodox church in SF. Her godfather was Bill Soulas, a good friend of Loretta's parents, the George Andros. After the ceremony, some 40 guests met at the Andro home on Manila for a splendid buffet supper.

Stork Specials

More new Villagers—stork specials! We looked out our dining room window the other day and saw master John Scott Seaman arriving home on Stewart avenue from the hospital, with both parents and a proud grandmother in attendance, to say nothing of an excited brother, Mark. We were glad to have Alice phone and tell us that John weighed 9 lbs., 4 oz., and that her mother, Mrs. Herbert S. Taylor, had flown out from Fitchburg, Massachusetts, to take charge of things. With husband Marvin, a chief in the Navy, the Seamans have done quite a bit of moving around, but hope to stay put here a while, now that Marvin is going to electronics school on TI.

Second stork special of the week belongs to Virginia and Harold Abbott, over on Midway. This one is a girl—Mary Virginia, who is warmly welcomed by all her family, especially brothers Billy and Jimmy. She will hold her own, we predict, since she started out with 8 lbs., 10 oz. to her credit.

New people are coming to stay, but some of our Villagers are moving away, sorry to report. Lolita Nygren hasn't gone far, though—just over to Westlake, but Cec and Martha Pinney are making plans to move from Louvaine to Los Gatos. They practiced being away when they took a two-week trip to Portland and Seattle. Cec went on business, so Martha went along and had a nice visit with her cousins—Lt. Col. and Mrs. B. J. Moore—at Ft. Lewis, Washington. She said the weather was cold and snowy; 11 inches fell in Portland.

"Well Done"

While we're on Louvaine, we'd like to pay tribute to "Sweet William" Gantert, who, with Billie Buchanan and lots more of the distaff set, made such a success of the parody melodrama the Holy Angels Women's Guild presented. The whole production was well done, with costumes, scenery, props, community singing and boos for the villain complete to the last detail. The acting was terrific and Laverne Varni's beautiful voice was the hit of the evening. Wish we had space to list everyone's name—you'll have to borrow someone's program and see how many people have plaudits coming.

Congratulations to Gert Green of Manila and principal Aileen Suber of GV School for being the recipients of the honorary life membership awards at the James L. Snell PTA founders day meeting. Some of our ex-Villagers came for the event—Vickie Falconer from San Jose, and Verna Duste from San Mateo. Old home week among PTA presidents!

The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES MARCH 1

$13,000.00	1975.

PAYMENT: Both Principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on DECEMBER 7, 1954 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON ELEMENTARY School District, of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Selmi, Council Go Round And Round On Fund Transfer

(Continued from Page 1)

didn't say it was illegal."

"Direct Conflict"

Selmi then said he had the copy f a resolution which was in di- ect conflict with a letter sent him y City Controller Jerome Scharf- an.

The resolution was for reimburs- g $12,028.22 from the water reve- ue bond construction fund to the eneral fund.

Selmi pointed out that many tems listed in the $12,028.22 reso- ution approved in early Decem- er were also included in the $10,- 00 transfer made by the council n a warrant December 27.

"How should we correct the er- or?" asked Councilman Edward . Dennis.

"Just follow your own resolu- ion," answered the treasurer.

City Attorney Frank Blum said charfman had set forth some of he expense items in the $10,000 ransfer incorrectly, which Scharf- an admitted.

"No Legal Difficulty"

"But I don't know of any illegal ifficulty whatsover," explained lum.

Selmi's attorney maintained hat, "You can't use replacement nd extension funds for general aintenance and operation—only or extensions and enlargements."

City Manager Howard Stites ex- lained that it was a "regular ac- ounting practice to record all ex- enditures from one fund, then to eimburse the proper funds when he job was completed, in order o facilitate bookkeeping. He said he city auditor had advised the ity to handle it in this manner.

Scharfman declared, "This is a tandard accounting practice to eep all expenses from one fund."

"On January 20 Selmi said he ouldn't approve the transfer as was illegal," Scharfman con- inued. "I agreed to give Selmi list of the expenditures provided or in the transfer and inadvertent- y typed some of the same items hich appeared in the earlier ransfer."

"Why Spend?"

"But why spend money out of he water works fund if the money s in the other fund," queried Sel- i.

"I don't know how we can make any clearer," returned Stites.

"It's good accounting practice o make all expenditures from one und. The appropriate fund seems o be the operating fund. The ransactions are all in the rec- rds," the manager continued.

Selmi argued, however, "That I am responsible to the bond- holders. When you take money from one fund, I don't know where it is. I'm talking about the actual bank accounts."

Councilman Micheal De Bernar- di then asked Selmi, "Is it not the treasurer's job to protect the peo- ple's interest?" to which Selmi's attorney agreed.

"Then," De Bernardi continued, "Isn't it also his job to notify the proper persons of any mistakes?"

"He did," answered the attorney.

"When I first contacted Scharf- man it was for information," re- lated Selmi. "I didn't know what the $10,000 was for. Why should- n't I be confused?"

"A Confusion"

"I call it a confusion," said Blum. "If the bonding company wants findings on all transfers I'll gladly take care of it in the resolutions."

Dawson then said, "Mr. Selmi will go along with this if there is no question of legality. As it stands he did right in refusing to sign the warrant."

"Did you say the council's action was illegal?" questioned De Ber- nardi.

"I don't know what action the council took" replied Dawson.

"More Cooperation"

Mayor Joseph Verducci com- mented that, "We should have nev- er got into this hassel if we had had more cooperation from the city treasurer."

"That's wrong," answered Selmi. "I took this matter up with Scharf- man and it took him six days to answer me—from January 20 to January 27.

"December 27 is the date on the warrant," answered Stites. "What happened between then and Janu- ary 20?"

Selmi insisted he had not seen the warrant until January 20.

Asked by Verducci how the question could be resolved, Selmi said, "I want a clear, concise ex- planation of the $10,000." Auditor Robert Hunter said he would com- ply with Selmi's wish.

At one point in the debate, City Clerk B. C. Ross said, "I dis- agree with most of the statements made here tonight. Nobody knows what they're talking about."

Construction Fund

He said that the construction bond fund of $50,000 was "invio- late" and could be used only for new construction work.

"The trouble started in the bud- get," he said. "The $10,000 should have been taken out of the con- struction fund."

Ross pointed his finger at Hun- ter, Scharfman and Stites and told each, "You're wrong!" The audi- ence applauded loudly.

Stites said, "Mr. Ross overlooks the fact that extensions of water works is in excess of those items listed in the bond issue. It's got nothing to do with the bond fund at all. They're completely differ- ent projects and there's no con- nection whatsoever."

Later Ross said that Selmi was also wrong.

Following the end of the trans- fer squabble, the council then con- fronted Selmi with the following six questions: "Is the full time of your secretary devoted to city mat- ters? 2. Why is your secretary not civil service? 3. What are her hours of employment? 4. What is her title? 5. How much time does the treasurer spend on his duties? 6. Would making the treasurer's job full-time be advan- tageous?"

Full-time Secretary

In a letter to the council, Selmi said that it was necessary to have a full-time secretary and said that all her time was devoted to city duties; He said many city person- nel do not have civil service status; hours of employment of his secre- tary are the same as those estab- lished by the council; her job was that of account clerk, and that his duties necessitated him being on call at all hours;

Selmi said it was "impossible to answer" the council's query about making his job full-time. "It's deserving to be explored," he de- clared.

"Other Business?"

On later questioning by De Bernardi, Selmi was asked if his secretary transacted any other business than that of the city.

Selmi said no.

"Does she collect any rents from your private business?" the coun- cilman asked.

"She may have," answered the treasurer. "When I was out to lunch."

De Bernardi then revealed that, "I have three copies of receipts for house payments here I'd like you to examine."

"Then she's not spending full- time on city business?" asked Ver- ducci.

"At the time," answered Selmi, "She was just working by the hour. Since then the council has changed this."

Selmi suggested before the coun- cil "makes changes, I suggest you put my office in the city hall. It should be where the chief of po- lice's office is now. I was mayor when we passed the bond issue to build the city hall and we planned the treasurer's office to be there."

Verducci agreed that Selmi's of- fice should be moved into city hall.

Other Action

In other action Tuesday the council:

1. Voted to notify the county that the city has no jurisdiction ov- er a storm drain at Thornton beach which the county claims has been damaged and is causing water to erode the beach.

2. Set hearing for vacation of Lausanne street on March 12.

3. Adopted budget and approved agreement for expenditures of gas tax allocation for major city streets.

4. Approved Teresa Terrace sub- division map and agreement of the builder guaranteeing completion of streets and sewers.

Introduce Law For Full-Time Treasurer Job

(Continued from Page 1)

Selmi, admitting that she handled some of his private work while at the office, explained the woman had been paid by the hour at that time. He pointed to the fact that many other city person- nel were not civil service, but said he would be perfectly willing to have the council hold a civil serv- ice examination for the job.

Boy, Scared Of Police, Burns Stolen Packages

Two parcels of clothing, insured for $50 and stolen last weekend from the Southern Pacific ware- house, Washington and San Pedro avenue, were burned by a 10-year- old boy, local police learned Tues- day. Packages were addressed to S. W. Seebold, 808 Larchmont drive, Colma.

Police said the boy denied steal- ing the parcels but said that he had found them near the railway station. He related that he be- came scared when a neighbor who knew he had the boxes said she would report him to police.

Letters, with the parcels, which the youngster said "looked im- portant," were deposited in a post box near his home.

Auditor Clears Haze On $10,000 Transfer Debate

(Continued from Page 1)

have money in the sinking fund.

Current Operations

The operating fund provides for current operation expenses of the department. The reserve sets aside finances to pay principal and interest on the bonds a year in advance, while the replacement and extension fund is maintained in order to insure bond holders that the water system, from which revenue is gained to re-pay the bonds, won't deteriorate. Money from this last fund is new to re- place worn out equipment and ex- tend the services to meet the need, thus insuring a continuing source of revenue.

"The normal part of every bud- get," Hunter continued, is to make replacement and extension to the water system. This comes out of the current year's operating bud- get. What confused Selmi was the fact that he's been paying money for new facilities out of the con- struction fund since 1953."

'Fifth" Fund

The auditor related that the construction bond fund is actually the "fifth" water department fund, but that it is practically defunct now. Originally the proceeds of the bonds were placed there but most of it has been spent for new reservoirs and pipelines, as pro- vided for in the 1952 bond elec- tion.

This year, he continued, the council budgeted $20,000 for new water department facilities. Of this, $10,000 was taken out of the current operating fund, while $10,000 was to come from exten- sion and replacement. "The $10,- 000 transfer was merely moving the money from replacement and extension to the operating fund to bring the figure up to $20,000, the amount budgeted," he ex- plained. "It has nothing whatso- ever to do with the bond issue."

$12,000 Transfer

He then went on to explain the $12,000 transfer which Selmi had referred to as creating part of the confusion.

In order to be eligible for a state-grant-in-aid for water proj- ects, the city had to spend the money for the projects first out of its own resources. "We had to ad- vance approximately $12,000 from the general fund to make up the balance of cost on the projects in order to be eligible for $50,000 in state aid. The council took the $12,000 from the general fund and stipulated in a resolution that the general fund would be reimbursed when the state money was re- ceived. The transfer was merely the reimbursement to the general fund."

He emphasized that the two transfers were "separate and dis- tinct transactions." He declared part of the confusion arose when Controller Jerome Scharfman "in- advertently" listed some of the same items in the $10,000 transfer as appeared in the $12,000 transfer.

RECENTLY HOME on a two- day pass was Cortez J. Fernan- dezees, son of Mr. and Mrs. Pal- mento Fernandezees of 324 San Diego avenue. Fernandezees, who attended Jefferson Union High school before entering the army, is now undergoing basic training at Fort Ord.

GLOVES BOUTS THRILL FANS

By Frances Kavanaugh

Daly City was the fistic capital of the world last Thursday night for 40 young boxers. Twenty of them fought their way to potential fame by punching out victories in the Golden Gloves preliminaries sponsored by the Men's club of Our Lady of Perpetual Help church in the War Memorial community center.

The 20 bouts were exceptionally well matched, despite two knockouts and five TKO's. There was no loser who didn't put up a stout battle for a while and only three who were definitely outclassed.

Six bouts were in the senior division, fighting three three-minute rounds, and 14 in the novice division, three two-minute rounds. The seniors depended mainly on ring savvy to defend themselves. The novices, mostly, just slugged away until one gave, depending on luck and aggressiveness.

Four fighters who won bouts in the Golden Gloves preliminaries February 9 at Daly City's War Memorial community center will compete in the finals tonight in San Francisco's civic auditorium.

Harry Sandler (unatt.), who took a decision here, will meet Terry Smith of the Hunter's Point A. C. for the 147-lb. senior title. Ray Esquerra (L. A. Youngs) and Joe Charles (Oakland), both winners in the local prelims, will meet for the 132-lb. senior title. Manuel Valvende (Stockton) battle Thomas Wall (unatt.) for the 139-lb. novice crown.

William Joiner of Fairfield won the feature event in the 156 pound senior division with superior boxing technique, defeating Cleon Frazer of Stockton, the harder puncher. Raymond Esqueira of Oakland won the best boxing match of the night by throwing combination punches to defeat Richard Matusmara of San Francisco in the 132 pound senior class.

Rudy Amarillas, 147 pound senion well known on the OLPH cards, defeated George Duffy of L. A. Young's. They boxed and slugged each other indecisively for two rounds, but in the third, Amarillas found an open highway to Duffy's chin, plastering it with jolting right hooks, putting him on the canvas two seconds before the final whistle blew.

Fred Real of Judson-Pacific-Murphy defeated Tony Moss of San Francisco in the 147 pound senior division in a punching duel that left both exhausted.

Harry Sandler bombarded Max Bauer with heavy leather to start their 140 pound senior contest and looked like an easy victor. Bauer boxed back in the first, slugged back in the second but Sandler won narrowly with a furious flurry in the third.

Joe Charles of Oakland took a TKO over Sal Lopez of San Jose in the 132 pound senior class. After Charles opened a long gash over Lopez's right eye, Referee Frankie Brown stopped the contest at the end of the first round.

Among the novices, Jack Roddy, USF senior, was outstanding. He won a first round TKO by swarming in on Harold Kelsey of San Francsico, 132 pounds, who fought gamely most of the round but eventually stopped defending himself.

Two fighters were counted out. The winners were J. C. Huggins, 178, Richmond, over Cass Johnson, Oakland, and Don Sampiedro, 165, Albany, over John Lawther, San Francisco.

Three other TKO winners were Manuel Valverde, Stockton, 139 pounds; Lee Stanley, Oakland, 147, and John Lane, Stockton, 156 pounds. Valverde floored Ted Ramirez twice in the first round. Stanley decked William Powell of Oakland twice in the second chapter. Lane used a rushing, bruising attack which the loser, Jim Hensley of Sacramento couldn't get set against, although he tried hard for a while to ward off the blows.

A colorful character who amused the crowd was Robert Kahn, 165 pound portsider, adorned with a red chin beard. He'd crouch low, jab upward with his right and follow with a long, low, roundhouse left. However, he lost to Bob Johanson, also of San Francisco, who was consistently effective in an orthodox style

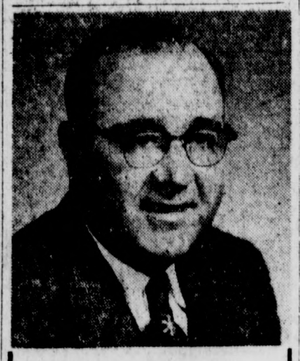
Other results, all by judge's decisions, in the novice class were: 125 pounds—Herman Marquez, Stockton, beat Ronnie Latteri, Stockton. 132 pounds—Ronald Hill, Oakland, beat Norman La Fleur, Walnut Creek. 147 pounds—Raymond Pinole, Sacramento, beat Maurice Robinson, San Francisco; Jean Pierre Masson, San Francisco, beat Richard Pelletier, San Francisco. 156 pounds—Eugene Wallace, Richmond, beat Elijah Brown, Hunters Point. 165 pounds—Edward Bouvard, San Jose, beat Jesse Smith, Richmond.

El Camino Crack-Up

Two drivers escaped unscathed in a collision Saturday at El Camino and B street, Colma.

Broadmoor police said the accident occurred when Augustino Campodonico, of San Francisco, driving north on El Camino, and attempting to make a left turn onto B street, was struck from the rear by a north-bound vehicle driven by Fred Edgington of South San Francisco.

Police said Edgington would be cited for following too close.



GREEN JEFF 9 OPENS PRACTICE SEASON MONDAY

Coach Lou Martin takes his "green-horn" Jefferson High varsity baseball gang to Big Rec Monday for the opening game of the season in a practice tilt with Saint Ignatius.

Martin says he will divide pitching chores between Tex Prentice, veteran from last year's varsity, and Ed Leveroni, former frosh-soph twirling ace.

Rest of the line-up will include: Bill Strassburger, catcher; Bob Bailey first base; Ino Patron, second base; Mike Wedlake, short stop; Leroy Franzoia, third base; Ron Cryer, left field; Bob Grubb, center field; Lou Arrighi, right field.

Martin's crew will follow up with a game at the Daly City diamond on Friday, hosting Balboa. League play starts March 13.

Colma Intramural Cage Action Ends

The Hepcats and the Indians emerged as eighth grade champions and the Leopards and the Redskins took the seventh grade crowns in the Colma elementary school intramural basketball league.

Art Banos, Tony Di Virgilio, Bill Dougherty, Bill Savage, J. B. Berry, John Crowhurst, Ron Vanderback and G. Muhek led Miss Betty Welp's Hepcats to the eighth grade American league title. Mickey Woodbury, Bob Remnitz, Gary Weeck, Tom Elliott, Webb Parker and Gary Ross gave Mr. Charles White's Indians the National league crown.

In seventh grade action, Miss Lupe Castillo's Leopards annexed the American league championship through the efforts of Lee Allan, Cliff Fulwider, Ron Berry, Steve Cramer and D. Cooper. Mrs. Muriel Grassman's National league champion Redskins were Jim Lufrano, Gary Monyhun, Steve Anderson, Arthur Glower, George Claus and Tony Montalvo.

HOT CAPUCHINO WRECKS INDIANS' TITLE HOPES

Jefferson high school's cagers, experiencing a cold night from the floor, lost any chance they had for the North Peninsula Athletic League championship when they took a 63-38 lacing from Capuchino high on the winners court Friday night.

The loss by the second place Indians, coupled with San Mateo's 74-59 win over Carlmont, assured San Mateo with seven wins and two losses, of the NPAL crown with one game remaining to be played. Jefferson, Capuchino and Burlingame are now tied for second place with 5-4 records.

Jeff's varsity cagers seek to grab a share of second place, with San Mateo already assured of the title, when they end their NPAL campaign against South San Francisco tomorrow night on the local court. The lightweights, who will also be shooting for second place, open the program at 7:30.

The Indians, 5-4 in league play, will be facing the league's leading scorer in SSF's Dean Prince, who has scored 185 points in nine games. The Jeffs are currently tied with SSF, Burlingame and Capuchino for second place. In the '30s division, an Indian win and a Capuchino loss would tie the little Jeffs with the Mustangs for the runnerup spot.

An extremely hot Capuchino five made the game strictly no contest after Jefferson's Jim Honeywell's set shot gave the Indians a 2-0 lead. The Mustangs ran up a 14-4 first quarter lead, stretched it to 28-16 by halftime, and exploded for 22 points in the third period to double the Indians' score, 50-25.

Jeffs Cold

Meanwhile Jefferson was just as cold as the Caps were hot. The Indians just couldn't make their shots drop. Time and again Jeff's shots would hang on the rim before dropping harmlessly from the basket.

The Indians put up some resistance in the second period, but were still outscored by Capuchino. Gary Estabrook, the Mustangs' 6-6 pivot man dropped three hole shots and a free throw to offset the Indian rally.

The Mustangs scored 18 straight points while holding the Indians scoreless late in the third and early in the fourth quarter to put the game beyond reach.

Larry Pottinger, with 13 points, was the only Jeff player able to break into the double figure scoring column. Tom Cloutier followed with nine points. Roger Locke and Estabrook, with 19 and 14 points respectively, gave coach Mike Orlich's boys the most trouble in the scoring department, while Estabrook controlled the boards, getting 15 rebounds.

'30s Lose

The Jefferson lightweights could do no better than their varsity brothers, dropping a 43-30 decision to the Mustang '30s.

After a 6-6 tie at the end of the first quarter, Capuchino's John Condrin scored all nine of the Mustangs' second period points while the little Indians could muster only two free throws, and the Mustangs posted a 15-8 half-time lead.

Except for a brief flurry in the third period, Jefferson couldn't get in control of the game again. Condrin ended up as the game's leading scorer with 18 points, while teammate Gary Peterson tanked 11 points and contributed a strong rebound game. Ryan, with nine points, and Weld, with seven, lead the Jeff scorers.

The loss gave the '30s a 5-4 record, and dropped them into third place behind San Mateo (7-2) and Capuchino (6-2).

Vince & Fred's held a slim lead by capturing a pair of contests against San Pedro Lunch, temporarily ruining the third-place San Pedrans chances.

Vince Merlo's 523 series, backed up by Babe DeLuca's 524, were instrumental in the V & F wins.

Tony Barsuglia's 543 series led Luce Meat to a pair of wins over Daly City Cleaners.

Paul's Flowers turned in two wins over Brentwood Lodge, while L. Delucchi was registering a 206 high game for the victors.

Jeffs Place 4 On Star List

Four Jefferson high school football stars were among the 60 graduating high school gridders nominated to play for the west bay squad against an east bay team in the 20-30 clubs' annual all-star game to be played in August at San Francisco's Kezar stadium.

Heading the list of Jeff stars was quarterback Jim Honeywell, coach Ed McGrath's all-everything back. Honeywell was selected All-PAL, PAL back-of-the-year, All-northern California and northern California back-of-the-year after a sensational season in which he lead all PAL backs in total offense by more than 400 yards.

Nominated along with Honeywell were guard and co-captain Bob Grubb, center Don Weisner and end Ted Amirkham, all of whom made honorable mention on the PAL all-star team. Amirkham was fifth in the league in pass receiving. Noteworthy was the fact that the nomination board passed over boys who had been selected higher than these three on all-star teams.

A board of coaches, headed by Milt Axt of San Francisco's Poly high and San Jose high's Lee Cox, who will be co-pilots of the West team, will select the 25 West players. Players were nominated from San Francisco, Peninsula, Santa Clara Valley and Catholic leagues. The coaches' board includes Jefferson's Mike Orlich.

Writers from San Francisco and Peninsula newspapers participated in the nominations.
